

## ICOSPA Activities

Delegates from the UK, Germany, France, Japan, the Netherlands and the United States gathered in Monterey, CA, in October 2007 for the International Council of Sheet Metal Presswork Associations (ICOSPA) 42nd Presidents Council meeting.

During the meeting, each country reported on its current economic situation and primary association activities in the last year. The 30 attendees also discussed future ICOSPA activities, including plans for the 2008

ICOSPA Congress to be held in Grand Rapids, MI, on September 14-17, 2008.

The ICOSPA 2008 Congress Project Committee, chaired by Bruce Walker, has been working to develop a successful program that will appeal to companies on an international level. The
